CAPABILITY STATEMENT

BRIDGING THE GAP BETWEEN HEALTHCARE, RESEARCH, SCIENCE, & TECHNOLOGY.

iHealth Innovative Solutions (iHealth), is an SBA certified 8(a), HUBZone, Small Disadvantaged Business, and a District of Columbia Certified Business Enterprise (CBE). We deliver health information technology solutions with national and global reach focusing on bridging the gap between healthcare, science, research, and technology. iHealth subject matter experts promote emerging technologies that address issues in the existing public health infrastructure – at the Federal, State, and local levels. We solve complex challenges, advance scientific discoveries, and deliver innovative solutions that help our customers keep people safe. Our culture of innovation empowers our employees as creative thinkers, bringing unparalleled value for our clients and for any problem we tackle.
